Sigh of relief

Local politicians at the city level are likely breathing a sigh of relief now that **State Sen. Gloria Romero and Assemblyman Ed Hernandez withdrew their names from the race to fill Rep. Hilda Solis' spot.**

Now, our local **San Gabriel Valley** politicians won't have to split hairs over who they will endorse -- they can support **Board of Equalization Chairwoman Judy Chu** as she seeks out Solis' spot, and can support Romero as she seeks out **State Superintendent.**

Otherwise, it would have been interesting to see who the SGV politicians would have ended up endorsing, risking possibly losing endorsement in their future endeavors.
