BP councilman gives nod to Chu

By Tania Chatila on January 4, 2009 10:35 PM

Baldwin Park Councilman Anthony Bejarano said he's endorsing Judy Chu for Rep. Hilda Solis' seat. Solis is President-Elect Barack Obama's pick for labor secretary, which means she'll be vacating her current post soon.

Chu is on the California Board of Equalization, and she's going up against Gloria Romero for the position.

Monterey Park Mayor Frank Venti recently announced he's gunning for Romero.

Who do you think will get the spot?
